

2026 Spring Conference Treasurers Status Report

To: The Officers and Board of Directors of the National Railway Historical Society

Attached are a set of 2026 financial statements for the NRHS through the end of month April 30, 2026, which include Statement of Activity, Statement of Financial Position, and NRHS Functional Income Statement for 4 months ending on 4/30/26. These are unaudited reports and may be subject to adjustments prior to final acceptance. They provide an overall picture of the Society's financial status through the end of April.

The other important document which is being provided is a complete 2025 NRHS Financial Report (unaudited) which covers the entire year in detail. In addition, there is historical financial information for a 10 year comparison period for the Society.

The 2025 NRHS audit and tax filing process has begun by the accountants from Bowers & Company. They will complete our IRS 990 forms and the BC-10 for the Commonwealth of Pennsylvania. Filing date is scheduled for November 15th, 2026.

Questions related to NRHS finances should be directed to the NRHS Treasurer, the NRHS Assistant Treasurer or the NRHS Comptroller.

Thank you for your continued support of the National Railway Historical Society.

Bob Bitzer
NRHS Treasurer

Ward Wells
NRHS Assistant Treasurer
