this year's Membership Awards total **96**:

25 year = 51

50 year = 32

60 year = 13

Thanks to the efforts of our NRHS Secretary, all the certificates have been printed

They are now in the process of being distributed as indicated by the chapters following the request sent out by Elizabeth to chapter AC reps and presidents.

Report #11

2026 Membership

2026 MEMBERSHIP STATS

5/8/2026

3066 Regular members

488 Family Members

105 Student Members

for a total of 3659 members

A huge **THANK YOU** goes out to Steve Siegerist and Mike Yuhas for doing all the work so far this year. Steve handles the incoming regular mail and Mike adds everything to NEON and answers member questions.

One big problem has been the US Mail and its lack of timely deliveries, this has caused issues and possibly even lost memberships.

I would strongly recommend that chapters encourage all their members to renew online through our NEON portal as the best way to complete yearly renewals.

We do need a full time MEMBERSHIP CHAIRPERSON, one who can easily navigate their way through NRHS emails and NEON
