Compiled by Wesley Ross

The 2017 directory of NRHS member discounts has been released. Thanks for the hours of hard work

The NRHS member discount list is included in the preceding nine pages of this issue. We appreciate all of the hard work and dedication put into compiling this list each year by Wesley F. Ross. He spends countless hours sending mails and emails, and phoning the attractions to solicit their participation in the NRHS program.

WESLEY ROSS

Ross has been a member of the NRHS since 1973 and served as the national director of the Kentucky Central Chapter beginning in 1988. He served as regional vice president of the Ohio Valley Region for a number of years and is now serving a four-year term as the director of Region 5.

The NRHS wishes to thank all of the rail attractions that are offering discounts and special promotions to our members. The Society urges all members to thank the representatives of the attractions when they visit these sites during the coming year.
