

NRHS Membership Awards Status - 19 April 2009

- The attached spreadsheet shows the totals awards NRHS has presented as of 25 March 2009.
- USPS returned one (1) twenty-five year pin for Mr. Paul C. Morrissey, an At-Large member, as being undeliverable. I located a telephone number for Mr. Morrissey in Massachusetts, and it is disconnected.
- Current inventories of pins should suffice for 2010, meaning we do not need to order new pins from our supplier until May 2010.
