

Relations Committee Ideas for Advisory Council

1. Set aside an hour or so at each Conference to allow Directors representing specific Districts to meet with the Chapter Representatives from their District. This would possibly improve communication for the local Chapters. We would suggest that the National Secretary or his designee check the list of in-person Directors and schedule one of the Global Directors or a National Officer to fill in for the absent Director from that District.
2. Encourage the exchange of newsletters between Chapters in an effort to provide ideas to Chapters as well as try to increase the solidarity between Chapters, particularly with a District. This can be accomplished by asking the help of Directors and by making it a topic of discussion at the Advisory Council Meeting.
3. The Committee has suggested that Chapter Representatives need clearer instructions on how to get information from *The Telegraph* into their Chapter newsletters. Carrying that point a bit further, it would seem that the Advisory Council could get a small group together and draft a job description for new Chapter Representatives.
