Position Being Sought

Director District: 1

Biography (Limit to 250 words): *(The Committee suggests you include a passport-type photo of yourself for the ballot)*

I was raised in Northern New Jersey, then moved to Boston for college, and Cape Cod for work where I was in banking for 14 years followed by almost 22 years in the photo processing business. I have now lived on Cape Cod for 45 years. Living on Cape Cod has allowed me to travel since I do not need to come here for vacation. Because of this, I began traveling by train around the country and meeting railfans and rail historians and learned of rare mileage and the NRHS. My interest is photography , primarily Railroad, Maritime, and Landscape. I am also a model railroader.

Reasons for Seeking This Office (Limit to 250 words):

I have been a member of the NRHS for 32 years beginning when the Cape Cod Chapter received its charter during the National Convention in 1986. Since then I have served as chapter president and Advisory Council Representative. Once I was able to get to council meetings, I realized how good an organization the NRHS is and it needs its representatives to step up and participate in order to move forward. When I was appointed to fill a vacancy in District One as a director, I realized even more how important it is for all Districts and Chapters to be represented in the decision making to grow the NRHS and remain a positive force in railway preservation in the world as we know it. I believe in the Grants program and the Railcamp program and wish to work toward keeping them a beneficial part of the NRHS.

By submitting this nomination form to the NRHS, I certify that I have read and understand the Bylaws of the NRHS dated June 24, 2013. I certify that I am in compliance with all the requirements for this position as defined in the NRHS Bylaws including but not limited to those found in §7 thereof.
