

NRHS Individual Awards for 2015

Joseph C. Maloney, Jr., 28 March 2015

Each year since 1961, NRHS has recognized those chapters celebrating significant anniversaries of their charter date with NRHS, and for continuously maintaining their NRHS affiliation. For 2015, there are two such chapters, one celebrating its fiftieth anniversary and the other celebrating its twenty-fifth anniversary.

The NRHS officers and staff are very pleased to recognize Tacoma Chapter for its fiftieth anniversary of being chartered on April 26, 1965, and the Delmarva Chapter for its twenty-fifth anniversary of being chartered on April 8, 1990. Congratulations to both chapters!
