

## **Combined Federal Campaign – 2021 and 2022**

Wesley F. Ross, Director Emeritus

The 2021 Combined Federal Campaign resulted in total donations of \$1,720.00 from 16 donors from 9 CFC Zones across the country. The most contributions were received from the National Capitol Area/Northern Virginia. This amount is about the same as we received last year; but not as much as we had previously done.

I have completed and submitted our application for the 2022 Campaign. We will be notified when our application is approved. The 2022 Campaign for Federal employees and our Military personnel will begin in the fall and run until sometime in January, 2023.
